

“3G²”

Three generations of the Knox family will repeat 100 Mile Labor Day Relay to Camp IODISECA

On Labor Day weekend of 2010 three generations—“3 G’s”—of the Knox family used their love of running to help make sure that future generations of campers could continue to experience the joy of using *your camp*—Camp IODISECA—IDE’s outdoor jewel where the Gospel of Jesus Christ has been proclaimed for nearly 50 years. The Knox runners plan to repeat their run this coming Labor Day.

IMPROVEMENTS FOR THE SWIMMING POOL!

Thanks to the generous support of God’s people from throughout the Iowa District East, last year’s run raised over \$13,000 for the general fund of the Camp. This year’s effort will all be applied to the renovation of the Camp’s aging swimming pool. Projected costs for the pool improvements exceed \$100,000. Preliminary work on this project can begin as early as this Fall if enough funds are available. Depending on your response to this effort and

the ongoing Capital Campaign, the Camp Board hopes that work on the pool could be completed by the 2012 Summer Program.

KNOXES PLAN 100-MILE LABOR DAY RELAY!

Beginning after Church on Sunday, September 4, Pastor Michael Knox, his father Robert, and his son Jason will once again run an approximately 100-mile relay from Cedar Falls to Camp IODISECA. Pastor Knox serves Our Redeemer in Cedar Falls and Christ in Waterloo. He is also Chairman of the Camp Board. His 76 year old father Robert is an avid runner and son Jason was a member of the State Champion Cross Country team for Cedar Falls High School. Joining Pastor Knox, Robert, and Jason this year will be other members of the Knox generations. Their route will take them through city streets, over country roads, and along major portions of the Cedar Valley Nature Trail. Their goal? Reach Camp with your generous donations by Labor Day afternoon and allow for work to proceed on the pool.

JOIN THE CELEBRATION . . .

The Knoxes plan to arrive at Camp at approximately 3 p.m. on Monday, September 4. You can be there to welcome them, celebrate the completion of the run, *and* enjoy a Labor Day picnic. Details about the picnic and the celebration can be found at the Camp’s website (<http://www.campiodiseca.org/>) as well as Our Redeemer’s. (theforgivenessplace.org) Please note that the accompanying form has a place to indicate your attendance at the picnic.

. . . AND EVEN JOIN THE RUN IF YOU WOULD LIKE

A 5K Run and 1Mile Fun Run/Walk will be a part of the afternoon activities on Labor Day. The 5K will be a “crosscountry” style run on the beautiful Camp grounds beginning at 3:30 p.m. and the Fun Run/Walk will start few minutes later. Registration forms for the 5K and Fun Run/Walk are available on the Camp’s Website as well as Our Redeemer’s. Runners are also welcome to join the Knoxes for parts of the run! Contact Pastor Knox for more information about being one of their running partners.

THE URGENT BOTTOM LINE: Support the Camp by supporting the “3G²” Run.

Please help the three generations of Knox family use their love of running to show their love for *your* Camp. Help them make the improvements to the pool become a reality. Make a donation today, great or small, using the form below. Send your donation to the Camp in care of Our Redeemer in Cedar Falls (address appears on form below dotted line) *before* the Labor Day weekend. In doing so you will have helped to ensure that Camp IODISECA will be able to serve our District’s future generations.

Thank you, and see you at the Camp on Labor Day!

YOU CAN MONITOR THE PROGRESS OF THE RUN

A link to the run will be found at the website of Our Redeemer Lutheran, Pastor Knox’s home congregation (theforgivenessplace.org). Updates showing donation totals, as well as photos and video clips taken during the run, will be available at the website

Please detach and mail with your donation to: “3G Run”, Our Redeemer LCMS, 904 Bluff St, Cedar Falls, IA 50613

Yes, I/we wish to support the 3G’s for Future G’s urgent fund raiser for Camp Io-Dis-E-Ca with an enclosed, tax-deductable donation of:

- \$10 (10 cents per mile)
