As you enter the camp, continue straight until you reach the parking lot and the lodges. Registration is in the Alpha Lodge Fireside Room. Any remaining balance is due at the time of your check-in. The camper's canteen money will be deposited at this time. We accept Visa, MasterCard, and Discover credit and debit cards. Campers with transportation provided by camp should have an envelope containing the remaining balance, canteen money, and any necessary forms.

The Camp Nurse and assisting staff will conduct a brief health screening. At this time all medications must be turned in and any health concerns may be discussed with the Camp Nurse. Campers with transportation provided by camp can address camper's medical concerns with the staff picking up the camper.

After completing registration, the camper may meet his or her counselor and cabin group! The name of the individual who will pick up the camper must be provided to the camper's counselor. We will not release your camper to an unauthorized individual. At the morning drop off, campers with transportation provided by camp shall inform camp staff who to release the camper to at the afternoon camper pick up.
